

Airworthiness Directives

AMP Reference: IAL/777/T Revision 00 Initial

Airworthiness Directive Compliance

The Airworthiness Directives in accordance with the CAME procedure ([fill in your reference here](#)) are reviewed on a bi-weekly basis for MSN 23456.

To avoid continual AMP revision update, the Airworthiness Directives are managed on form: IALTA_AD_Tracking Revision 00 Revision date 5 Jan 2021
